

Subject: Buyingblock.com: We'll Help You Fundraise!

As someone who has tried to fundraise for my son's school, I know how hard it is to do in today's economy. Many corporations and individuals are cutting back on spending of all kinds, and unfortunately, donations and sponsorships are a part of that.

However, Buyingblock.com has created a simple and innovative way for groups to potentially raise thousands of dollars in funds – even in a “tough economy.” Here's how it works:

- Register your group (charity, non-profit, community organization, etc.) on Buyingblock.com. Registration is free.
- You then invite your group members to Buyingblock.com.
- If/when your group member makes a mortgage or real estate transaction, we'll ask them to “choose their group” from a list. They'll find and choose the group that you registered.
- On a monthly basis, Buyingblock.com will donate to your group \$500 per member who obtains or renews a mortgage, and \$500 per member who buys a home. If they get both, we'll donate \$1000 to your group!

As you can see, this is a simple, easy, practical and hugely beneficial way to raise funds – one in which everyone wins, including and especially your group and its important work in the community.

Looking forward to helping your group grow,
