## **Buyingblock.com Partners with Toronto District School Board in New Fundraising Program**

TORONTO, CANADA (1 September, 2009) – Buyingblock.com today announced a new fundraising partnership program with the Toronto District School Board (TDSB).

Through this fundraising partnership, when any of the TDSB's 37,000 employees take advantage of Buyingblock.com's mortgage or real estate services, the company will contribute of up to \$500 towards a fundraising initiative at the respective employee's school. Buyingblock.com will also make a contribution of up to \$500 when the parents of a child enrolled in any TDSB school use the company to buy a home, obtain a new mortgage, or renew a mortgage.

"Last year, as a parent on council that was responsible for fundraising at my son's school, I found it very challenging to raise money," states Buyingblock.com President Bruce Whitaker. "Then I came up with an easier way that helped everyone: sharing our profit from mortgage and real estate transactions."

For more information on this fundraising partnership contact Bruce Whitaker at (416) 920-5665 or [media@buyingblock.com](mailto:media@buyingblock.com).

**About Buyingblock.com** - Buyingblock.com takes a fresh, simpler and more innovative approach to home buying. The company does everything for homebuyers, including: getting a mortgage, finding a property, scheduling the home inspection, securing insurance, completing the legal and arranging movers - all at no cost, and from a single "one-stop" source.
